UPON MOTION OF Petitioner (Doc. No. 20) for Reconsideration of the Court's prior Order dismissing Petitioner's 28 U.S.C. § 2254 petition for writ of habeas corpus,

IT IS HEREBY ORDERED that Petitioner's Motion for Reconsideration is **DENIED**, as Petitioner asserts the same arguments regarding an alleged defective indictment that this Court has already rejected in its order dismissing the original § 2254 petition. (Doc. No. 15). Moreover, the Court had already denied a prior motion for reconsideration brought by Petitioner on the same grounds.
